

The logo for the Aerospace Additive Manufacturing Summit. It features a stylized magenta 'A' with a white rocket trail on the left. To the right of the 'A', the word 'AEROSPACE' is written in a large, bold, black sans-serif font. Below 'AEROSPACE', the words 'ADDITIVE MANUFACTURING' and 'SUMMIT' are stacked in a smaller, bold, black sans-serif font.

AEROSPACE ADDITIVE MANUFACTURING SUMMIT

Bill Haddad

Director, Additive Design and Manufacturing

Bill Haddad currently leads Collins Aerospace's Additive Design and Manufacturing organization. Bill has held positions of increasing responsibility in finance, operations strategy, strategic development, and supply chain across his more than 16 years of experience with Collins Aerospace. He is presently responsible for a global team of 15 professionals working on all facets of additive manufacturing including digital tool chain, design for additive, training development, material characterization, and industrialization all on behalf of internal Collins business unit customers. Bill's previous work experience includes Johnson & Johnson, Stanley Works, and The Hartford. Bill started his career as an engineer officer in the U.S. Army.
