

The logo for the Aerospace Additive Manufacturing Summit. It features a stylized red and white 'A' with a white arrow pointing upwards and to the right, set against a white background. To the right of the 'A' is the text 'AEROSPACE' in a large, bold, black sans-serif font. Below 'AEROSPACE' is the text 'ADDITIVE MANUFACTURING' in a smaller, bold, black sans-serif font, and below that is the text 'SUMMIT' in a smaller, bold, black sans-serif font.

# AEROSPACE ADDITIVE MANUFACTURING SUMMIT

**Stefan Pufe**

Director R&T

**LIEBHERR**

After 20 years @ Airbus in various Systems Engineering positions in Germany and France he joined Liebherr-Aerospace in mid-2016 to first lead the Test & Qualification Center and since end of 2017 the Research & Technology Directorate. At Liebherr a part of his team works on 3D-Printing technologies since more than 10 years. A first success was the development and experimental flight test of an A380 Spoiler Hydraulic Valve block in 2017 followed by the series introduction of an A350 Nose Landing Gear part in early 2019.
